

Dear Valued Clients,

I feel very blessed to have been part of your lives, taking care of your animals whether big or small over the past 7 years at Lakeway Veterinary Clinic. I truly enjoyed the relationships I have made and built with every one of you. With that being said, this has not been an easy decision, but I have been offered a new opportunity that I cannot pass up and my time here at Lakeway Veterinary Clinic has come to an end. My last day will be December 13, 2023.

I leave you in great hands with Dr. Foulke, Dr. Ives, Dr. Pritchett, Dr. Charity and soon to be licensed, Dr. Malatesta. They are amazingly talented veterinarians and I can assure that your four-legged family will be taken care of.

I hope you all can support my decision and understand it was time for me to fulfill my long-time dream. Thank you for many wonderful years, I will miss the community and Lakeway Veterinary Clinic.

With love,

Dr. Heidi Moore
